

Dear Friends in Christ,

Abundantly blessed by your pledges and the grace of God, 2018 was another successful year for Seeds of Faith. In the 13 years of "seeds" you have provided over \$251,000.00 to the Foods Resource Bank to aid those around the world who are in need.

Costs of fertilizer, chemicals and seed are still high, but the cash rent will be the same as last year. Our goal will be 20 acres of corn or beans, but the acres planted will be decided according to the dollar amount of pledges actually received.

The estimated funds needed for the 2019 Seeds of Faith crop come to \$12,000.00.

Take some time to prayerfully reflect on the success of the past ten years and the gift of sustaining life for others that this program has funded.

Please fill out the form below and return with your pledge payment by Apr. 1st.
